Republic of Yemen

Yesterday, Saturday, 25 June 1994, the National Defence Council issued a communiqué concerning the cease-fire in which it reaffirmed that the Republic of Yemen was complying with Security Council resolution 924 (1994) and supported all efforts and all disinterested initiatives to consolidate the cease-fire.

The insurgent forces, which are operating outside the law, have not respected the cease-fire and have violated and flouted it with a view to internationalizing the conflict.

Since the communiqué was issued the following violations have been recorded:

1. From 8 a.m. to 9.15 a.m. on 26 June 1994, aircraft of the renegade and secessionist forces attacked our troops stationed in the Al-Abr and Bi'r Asaker regions;

2. At 9 a.m. on the same day, the forces of the band of renegades and secessionists bombarded one of our units stationed at the City of the People in Aden, setting one of our tanks on fire;

3. At 9.27 a.m. on the same day, aircraft of the renegade forces bombed one of our units stationed in the vicinity of Aden.
